---

Congratulations! You have taken the first step in getting your business off to a strong, positive start!

Included in the **Starting Strong! Business Formation** kit is a very important checklist in which you will find the steps you should begin taking in order for your business to be properly formed so that you will have all of the necessary documents you need in order to open a bank account, sign contracts and apply for various business certifications.

If you have not already registered your business with your state, it is necessary to get that done as soon as possible. The next step is to apply for an EIN with the IRS. If you would like assistance with this, ARC can obtain your companies' EIN for only \$49.

Additionally, before you can bid on Government or Corporate contracts, you are required to obtain a Dun & Bradstreet, or D-U-N-S, Number. You cannot apply for any certifications or grants without it. ARC is able to obtain your DUNS Number in just 5 business days instead of the standard 45-60 days. If you would like our assistance with this, please contact an ARC Business Advisor who will be able to offer you a special customer discount.

We value your business and want you to know we are here to answer questions about your new company. We are available at [Support@ARCanswers.com](mailto:Support@ARCanswers.com) and look forward to helping you COMPETE and WIN!

Again, congratulations on your new and exciting journey!

Sincerely,

*The ARC Team*
